COVID Measures

Saturday 18 September | Beach Mitte

We've been working with Beach Mitte to ensure current guidelines are met. Please read the guidance below and help us promote a COVID-safe event.

What we need from you

Pre-event

- Ensure your team is fully up to date on [Competition Corner](#)
- Please do not attend if you are displaying any signs of COVID

At the event

- Athletes must present a negative COVID test or proof of full vaccination
- Masks won't be mandatory, however we encourage you to wear one in crowded areas
- Respect one another and be mindful of personal space where possible
- Please bring a sweat towel or sweatbands to use when working out

What we're doing

Venue

- Hand sanitisers will be available throughout the venue
- Increased cleaning of high-traffic areas and touchpoints
- We have increased the venue space and reduced capacity numbers to promote social distancing

Competition Floor

- All athletes will be asked to sanitise before and after leaving the competition floor
- All athletes will be asked to clean their kit with disinfectant spray provided after completing their heat
- Teams and judges will be put into coloured 'bubbles' which will remain the same throughout the day to minimise crossover
- You will not be asked to sign your scorecards
